UNMATCHABLE EID VIBE

Inspired by themes of joy and celebration, Kamal-e-Sukhan designs and details embody heritage with an evoke of trend through soft color palettes and designer details.

A man with dark hair and a light beard is wearing a long-sleeved, button-down kameez in a light beige or khaki color, paired with matching shalwar. He is standing in a well-lit room with a white wall and a decorative lattice screen in the background. To his right, there is a wooden chair with a cane back and a potted plant in a white pot. The overall aesthetic is clean and modern.
